## PROFILE

I am a writer, designer and front end developer who makes sites, apps and books. As a freelancer I focus primarily on WordPress development and web design.

## EXPERIENCE

**Owner, Unlikely Objects AB; Karlskrona, SWE · 2017–present**

Unlikely Objects is a storytelling studio that produces digital experiences, unusual books, and games that combine literature, film, interactivity and delight. It is also my Hyper Island thesis project founded with assistance from Blekinge Business Incubator.

**Web designer & developer, Freelance · 2013–2014**

Web design and front end development, WordPress, strategy, web app UI design, branding.

**Communicator, Tierps Municipality; Tierp, SWE · 2012–2013**

Public information officer – PR and communications strategy in the Tierp Municipality Department of Culture. This included the creation of graphic profiles, advertising campaigns and communication plans.

**Web designer & developer, Vårdshusverkstan, Söderfors, SWE · 2010–2012**

Web design and front end development, WordPress.

**Consultant, Tierps Municipality; Tierp, SWE · 1997–2012**

I organised and promoted the annual art festival *Konst på väg* in Tierps kommun together with the head of the municipal culture department and a handful of other volunteers. I worked with marketing, strategy, and primarily as designer and developer in the creation of promotional material, the festival's website, and the printed catalogue.

**Web designer, Fingerpaint, Saratoga Springs, NY, USA · 2009–2010**

Web design, front end development, web app UI and email marketing design.

**Web designer & developer, Vårdshusverkstan, Söderfors, SWE · 2002–2009**

Web design and front end development, WordPress.

## **EDUCATION**

Hyper Island, Karlskrona, SWE · YH, 2015–2017

Digital Media Creative is a program that allows students to develop their design, technological, management and entrepreneurial skills. I attended the learning hub in Karlskrona, Sweden.

University of Gävle, Gävle, SWE · 2005–2007

Creative writing in English.
